

We trust people and enterprise Together, we decide

Reduce Public Sector Jobs by
1/3

1 ACCESS GOVERNMENT SERVICES from your LIVING ROOM

- We live in a world where we can access government services, from the comfort of our living rooms
- Public offices are reduced as we modernize Slovakia

TRANSFORM GOVERNMENT BUILDINGS into USEFUL SPACES

- Homes for seniors, kindergartens and start-up flats for the young and socially disadvantaged
- Life returns to public buildings, as they serve people, where it is most needed

CREATE NEW JOBS for DOCTORS, NURSERS, TEACHERS

- Money saved is redistributed to raise salaries, created much needed jobs and decrease national debt
- And build new, state-of-the-art, energy-saving hospitals (x4)

2 Establish a national social bank

- that provides reduced cost mortgages for young people and those in difficult life situations

3 4-day work week

- where employee can work 40 hours across 4 days

4 Build a new nuclear power plant

5 Water for life

- construction of new water-retention systems

6 From farm to home support of local farmers and food production

7 Court proceeding within a one year turnaround

and a 3 month verdict for all court cases involving children

8 End of VAT refunds

- total sum to be paid only once and by the final consumer

9 WeChildren & WeStudents

- talent identification and support
- **multipurpose arenas** in every town
- **driving license** as a part of secondary school curriculum
- student employment without **health and social insurance levies** for employer

10 WeSelfEmployed

- **guaranteed pension** amounting to net minimum wage
- license fee instead of health and social insurance levy, taxes and accountancy

WeEntrepreneurs

- fast system of subsidies for SMEs
- financial support
- **for start-ups**
- **Co-working** centers across the republic

11 WeRetirees

- **guaranteed spot** in a senior home
- **medication without surcharges**
- Guaranteed **pension** amounting to net **minimum wage** (minimum wage from 2024 will be 521 EUR)

12 WeCommunities

- **Inclusion** of marginalized communities **into Slovak society**

13 Secure in person and electronic voting

14 Building bridges between Slovaks abroad and Slovakia
